Welcome to Spirit and Truth Music Ministry! Thank you for your interest in this ministry.

As a team, we strongly believe in supporting the vision of the house to Reach, Equip, Assimilate, and Lead through vibrant worship. In these pages you'll be introduced to the many sides of Spirit and Truth. You'll see that there's never a dull moment, so discover some of our highlighted opportunities and monthly updates.

It's His purpose so let's fulfill it, together.

Pastors Joshua and Leah Wesley

CHOIR: Spirit and Truth's Worship Choir has a place all set up for you. In this family style of ministry our objective is to have a voice in all creation singing the praise of a powerful God. Leave the teaching up to us, we promise you'll learn. We want to invite you to one of our two options for worship preparation Tuesday at 6:00pm or Thursday at 7:00pm in the choir room (room 311). There you'll be surrounded by friends that are as passionate about their expression as you. For more information please contact Angela in the music department at 813-973-2230 ext. 222

BAND: The Spirit and Truth band is comprised of great musicians that play with excellence and poses the heart to match. We believe that the character of a musician is found in the heart and not solely in their art. Currently, we meet on Thursday evenings at 7pm in the main sanctuary for a time of practice and worship preparations. If you are interested please contact Pastor Joshua Wesley for more information.
