

## Prayer at Victorious Life Church

We're a praying church.

Corporate prayer will always be an important part of what we do at Victorious Life. We have prayer meetings in the Central Campus Prayer Chapel on the first Saturday morning of each month, and every Wednesday morning at 6am. We pray before our Sunday services. The staff prays together every morning before work. We also have Life Groups that are prayer-focused. We're a praying church!

Is prayer also an important part of your personal life? God has called us to pray not only in a corporate setting (like our prayer meetings or prayer Life Groups), but also as individuals. We need to pray for the needs of our church family on a daily basis.

We're looking for a group people who will commit to doing just that – praying on a daily basis for the needs of this church body. We've created an e-mail prayer team, and it is very easy to join – just provide us with some basic contact information to sign up! We'll send you prayer requests, updates and praise reports twice a week. Occasionally, we may also send additional urgent prayer requests. Will you join us?
